Healthcare pricing at your fingertips!

Find a Provider

Search for a provider in your geographic area by specialty or procedure.

Navigation

Get the best route to your provider with turn-by-turn directions.

Price Comparison

You can search for a procedure, view the estimated out-of-pocket cost and total price difference for each hospital in your area.

Member Information

Select a primary care provider, access your insurance card, deductible, copays and co-insurance for you and your family.

Review Quality Ratings

Compare star rating of providers in your area for highest quality of care as reported by the Centers of Medicare & Medicaid Services (CMS).

Notifications

Receive secure updates from your Health Plan and HST Patient Advocates directly to your phone.

NEWLY INTEGRATED FEATURES:

Prescription Pricing

estimates from FamilyWize

Procedure Information

View not only the estimated costs for a procedure but also additional details including medical reference articles and detailed descriptions of the procedure from MedlinePlus.

Review HST Acceptance Rating

View providers that have Value-Based Payment (VBP) experience in your area.
